Spring 2016

## QUARTERLY STAFF PICKS:

### Erin Recommends....

#### ***Gods in Alabama***

~ Joshilyn Jackson

A very engaging story about family and our perceptions of others. Arlene intends to never return to her hometown in Alabama, but after ten years she has to go back to face old guilt, long-time family disagreements, and the mystery surrounding the disappearance of a class mate.

### Linda Recommends...

#### ***Find Her***

~ Lisa Gardner

Flora Dane is kidnapped. She survives 472 days of horror and is free. But she is not the person her mother and brother remember. Putting herself in danger to help another victim, she finds herself called a vigilante and puts herself in the sights of another mad man.

### Rhonda Recommends...

#### ***A Girl's Guide to Moving on***

~ Debbie Macomber

This is a very good book that tells of a wonderful relationship between a mother-in-law and daughter-in-law. Even though her son divorced her daughter-in-law, they stayed very close. Also tells how they both moved on after divorces.

### Sue Recommends...

#### ***Christmas Jars***

~ Jason F. Wright

This book is a good read for any time of the year. An amazing story about how one kindness leads to another and how lives are changed in the process. It's not "just another Christmas story". It reminds one of *Pay It Forward* by Catherine Ryan Hyde. Richard Paul Evans made the comment, "I believe the Christmas Jars tradition will change lives." I've started to work on my Christmas Jar.

## Deviled Eggs

Just in time for spring and summer picnics, enjoy this recipe for Deviled Eggs courtesy of The Pioneer Woman, Ree Drummond.

1 dozen eggs	2 tsp chopped pickles
¼ cup mayo	1 tsp pickle juice
1 tsp yellow mustard	1 tsp white vinegar
Hot Sauce	Salt and pepper
Paprika, for sprinkling	

Fill a large pot with enough water to cover the eggs, then bring to a boil. Using a slotted spoon, gently lower the eggs into the boiling water. Cover and let simmer for 10 minutes. Remove the eggs from the heat and run under cold water until completely cooled.

Peel the eggs, cut in half, and scoop out the yolks into a medium bowl. Add the mayo, mustard, pickles, pickle juice, sugar, vinegar, hot sauce, and salt and pepper to taste, and mix with a fork until well combined.

Use a small spoon to fill each egg white half with a generous teaspoon of filling. Lightly sprinkle with paprika to garnish.

## eBooks! We've got eBooks!

We are happy to announce that we have chosen the Cloud Library as our exclusive platform for eBooks and downloadable audiobooks!

If you are already using the Cloud Library, you know that it is very easy to use. For those of you who are new to the Cloud Library, please visit [ebook.3m.com](http://ebook.3m.com) to get set up or grab our general how-to brochure. We think you will love it.

If you have been using Southern Illinois Libraries on the Go (Overdrive), please be aware that this service will be discontinued on April 1. We sincerely regret any inconvenience this may cause.

The Cloud Library is a free app that includes thousands of electronic titles for all ages and links up to your online library account. Patrons can read, browse, and borrow at home or on the go. The Cloud Library is compatible with many devices including: Apple devices, Android tablets and phones, Kindle Fires, PCs and Macs (transfer to your Nook or Kobo eReader).

The set-up is simple – download the app, log in one time with your library card and pin, and you are set to read or listen to your favorite eBooks and downloadable audiobooks anytime, anywhere. Check out up to five titles at a time, and keep them for up to 21 days, when the items automatically expire from your account. No late fees!

Please be advised that the Kindle Fire works with the Cloud Library, but basic Kindles do not. You may have another device, such as a smart phone, tablet, laptop, or desktop computer that you can use to access the Cloud Library.

It's very easy to sign up for and use the Cloud Library, but if you find that you need a little help, simply stop in or contact the library for one-on-one assistance.

You can look forward to an expanded selection of eBooks and downloadable audiobooks all in one easy-to-use place!

Join us on April 14<sup>th</sup> from noon to 2 p.m. to learn about the Cloud Library with Lesley Zavadiuk from the Illinois Heartland Library System. Lesley will bring several different devices for eReading for a "Technology Petting Zoo". Bring your own devices too and learn how to use them with the Cloud Library. All are welcome!

The Cloud Library is live now, so give it a try. Happy reading and listening!
